Saint Pascal Baylon

Saint Pascal was born in the Kingdom of Aragon (which today is called Spain) and was the son of peasants. From a young age he displayed great devotion to the Eucharist. He worked as a shepherd from the age of 7 until he was 24. He was a good influence on his shepherd friends, an often rowdy group. He became a Franciscan lay brother with friars of the Alcantarine Reform. He often served as their cook or doorkeeper. His charity to the poor and afflicted, his unflinching courtesy and humility were remarkable even by Franciscan standards.

While travelling in France, he defended the Real Presence of Jesus in the Eucharist against the blasphemies of a Calvinist preacher, and narrowly escaped death at the hands of a mob. Although poorly educated, he was a counsellor sought by rich and poor alike. We celebrate his Feast Day on May 17.

PRAYER CORNER

"I am too blessed to be stressed!" The shortest distance

between a problem and a solution is the distance between your knees and the floor. The one who kneels to the Lord can stand up to anything. Love and peace be with you forever, Amen.

Word of the Month:
Monstrance

The Monstrance is a special container that holds the Blessed Sacrament during Adoration.

Adoration is a time that you can spend with Jesus.

Every church has a Monstrance. Ask your priest and he will show it to you.

Celebration

We have parties to celebrate events and anniversaries. The Eucharist (also called the Mass) is a celebration of the most important event ever. It is a gathering to remember the death and resurrection of Jesus. The Eucharist is a thanksgiving celebration of what God has done for us in Christ. It's definitely a celebration worth going to!
