

## **Father Tim Hingston**

Fr. Tim Hingston was ordained on May 7, 2005 after completing his studies at St. Peter's Seminary in London .

The former Guelph resident entered seminary in 1999 following a career in hotel and food management. Although Fr. Tim was raised in the Catholic faith, he had drifted away from the church. A friend's tragic death brought him back to the faith, and a growing realization that he was being called to the priesthood.

“I realized that I can't do what I really want in life without becoming a priest,” Fr. Tim says. “It was a growing sense that something was missing in my life and it just took time for that to come forward.”
